

## Our Mission

Our mission is to mold the current generation of youth into adults who we'd be proud to have as American citizens.

Our motto is to inspire, connect and expand. We inspire our kids through the quality of our facilities, staff and programming. Without electronics, we help kids build connections between themselves and their peers, counselors and nature.

Through all this, we have the unique opportunity to expand their compassion for others, their self-confidence, and their ability and desire to make an impact on the world around them.

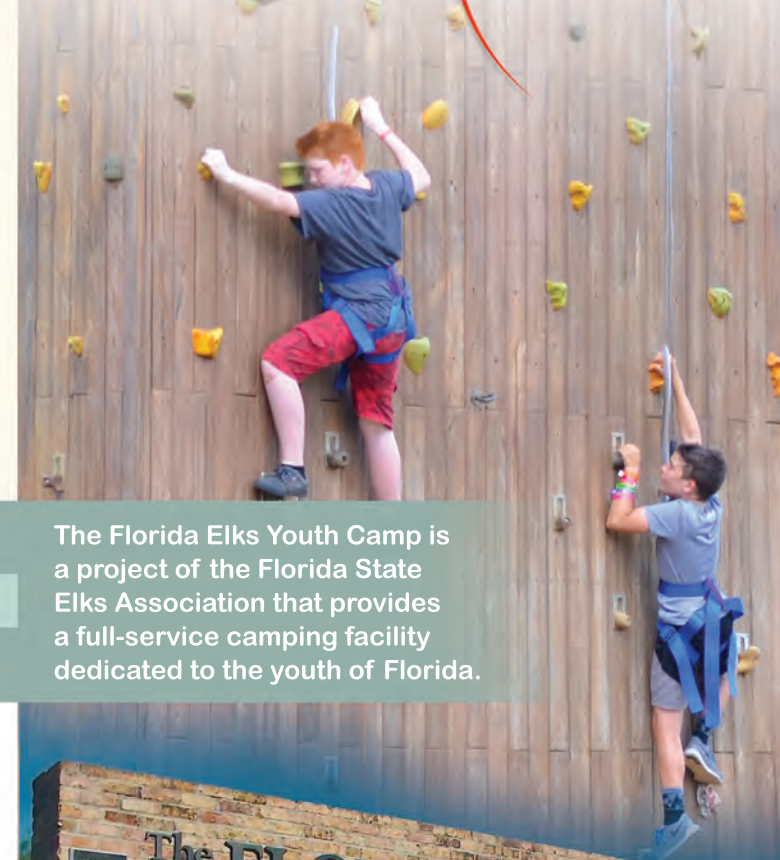

## Help us do more for Florida kids.

The safe camping experience made available by the Florida Elks Youth Camp has an extremely positive impact on the campers, many of whom would never have had such an opportunity.

With your monthly gift, we can continue providing life-changing experiences for Florida children and their families.

The Florida Elks Youth Camp is a project of the Florida State Elks Association and is located on 420 acres of rolling hills, forests, lakes and open space in Marion County, Fla.

The Florida Elks are proud that our camp is accredited by the American Camping Association to ensure compliance and a safe camping environment for children.

Florida Elks take great pride in the camp, and it is a popular place for Florida's young people as thousands use it every year. We hope you will be able to visit the youth camp and that the children in your family can attend our camp.

A camp is not a camp without a lake, and the Florida Elks Youth Camp boasts several. On our feature lake, campers can take out paddleboats and canoes or just laze along the shoreline.

All lakes on property are home to the famed Florida largemouth bass and catch-and-release fishing is allowed.

Just a few feet up the hill from the lake are the cabins. Each cabin sleeps nine and has heat and air-conditioning, personal storage facilities and full restrooms with hot showers. Additionally, all cabins are accessible to campers with physical limitations.

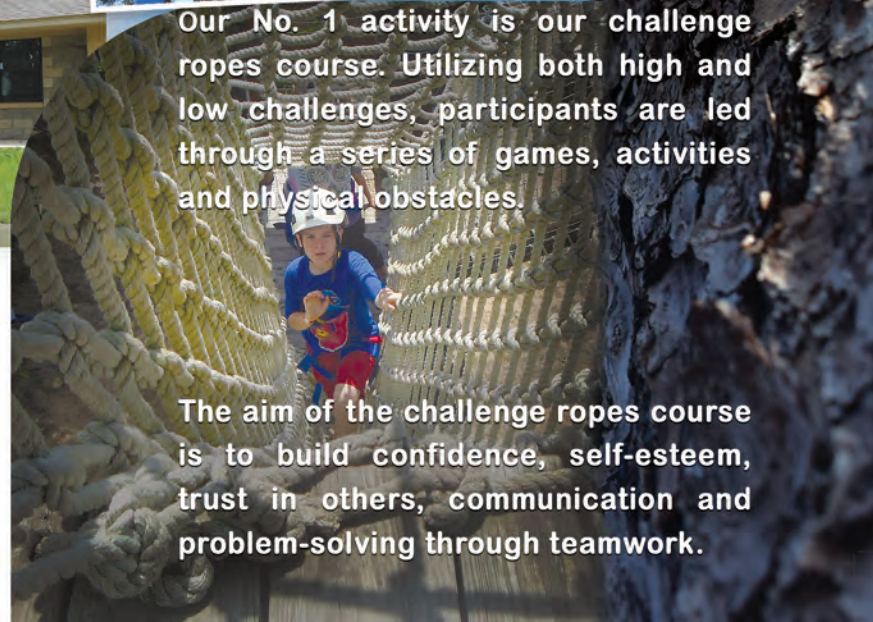

At the center of camp, you will find the 15,000-square-foot pavilion which has been the cornerstone of the Florida Elks Youth Camp since its construction in 1992.

Our No. 1 activity is our challenge ropes course. Utilizing both high and low challenges, participants are led through a series of games, activities and physical obstacles.

The aim of the challenge ropes course is to build confidence, self-esteem, trust in others, communication and problem-solving through teamwork.

"Our kids have attended the youth camp for several years and always have a fantastic time with lasting memories. We love the Florida Elks Youth Camp!"
